

Luxempart (www.luxempart.lu) is a Luxembourg based investment holding company with more than 25 years of existence, an estimated net asset value of 1.5 € billion. Luxempart invests in several European companies, mainly in the DACH region (Germany, Austria and Switzerland), Luxembourg, Belgium and France through its core team based in Luxembourg. Luxempart also holds a fund of funds portfolio through investments in selected European funds. It is a sponsor of several closely associated funds in Italy, France and Germany. Luxempart aims at developing, next to its direct investment activity, its fund exposure to additional geographies and strengthen its fund team. Luxempart has stable and involved family shareholders with industrial background. Its shareholders and management believe in value creation through patient involvement, European mind-set and ambitious team spirit.

Luxempart is listed on the Luxembourg stock exchange.

Due to growing activity, Luxempart is recruiting a
